### Profile

As a dedicated fresher web developer with a passion for creating dynamic and user-friendly websites. Proficient in front-end technologies such as HTML, CSS, JavaScript, Bootstrap and React.js, as well as back-end technologies like .NET core. Solid understanding of web development principles, responsive design, and cross-browser compatibility. A quick learner with a strong attention to detail, eager to contribute to innovative projects and grow as a professional web developer. I bring a wealth of technical expertise to every project I undertake.
